## 7<sup>th</sup> International Sea-Kayaker's Meeting

21 to 29th August 2021

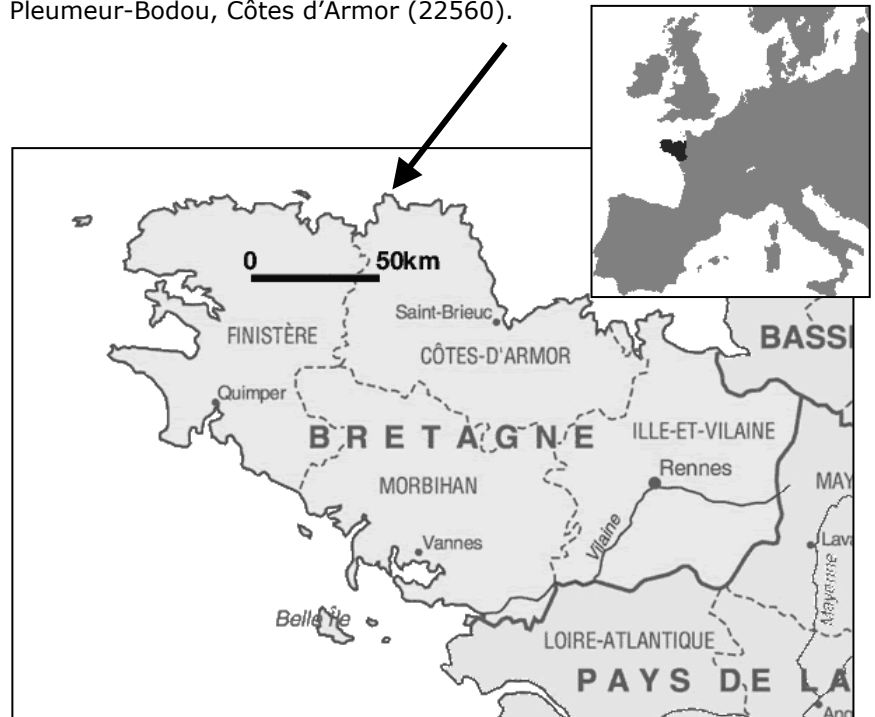

Landrellec – Pleumeur-Bodou / Bretagne / France

Once again this year, the association Connaissance du Kayak de mer (CK/mer) is organising an international seakayaking meeting, from the 21st to the 29th of August 2021. It will take place on the "Côte de Granit-Rose", at the GCU campsite of Landrellec in Pleumeur-Bodou, Côtes d'Armor (22560).

**This event should allow kayakers from far and wide to meet in a beautiful setting,** to share their experiences and love of the sea whilst enjoying a unique opportunity to paddle either in sheltered waters or on the open sea.

**The idea is simple : each participant will be self-sufficient and responsible as regards his own kayaking and camping equipment.**

He will organise his own outings depending on his abilities, his interests, his encounters with others...or even his mood !

Obviously, **each of us will be fully responsible for his/her own navigating decisions**, and should be covered by a proper insurance for any damage he/she might suffer or cause to third parties. The CK/mer international sea kayaker's meeting will be hosted at the [GCU campsite of Landrellec](#). Please note, however, that we recommend using tents for a more convivial stay. Families are of course welcome.

CK/mer members will gladly share their knowledge of local resources. Our meeting is intended to foster encounters, friendships, sharing as well as the freedom to be independent. We hope you will seize this opportunity to come paddling with us and to discover a beautiful environment. We expect that this week will be rich in discoveries and a source of great enjoyment for all of us.
